

# Wedding Timeline

**6-12 Months**  
Order & mail save the dates.

Save the dates are especially important for destination and holiday weddings, as guests will need extra time to prepare. Since save the dates are less formal, they are a great way to show off your style or a favorite photo!

**6-8 Weeks**  
Mail invitation ensembles.

To avoid postal delays, take your invitation ensemble, including all envelopes and enclosures, to your post office to determine proper postage.

**1-2 Weeks**  
Collect final guest list.

Contact any guests who have not responded. Calling, texting and emailing are all acceptable.

**3-4 Months**  
Order wedding invitations and enclosure cards.

Consider ordering enclosure cards to help your guests know the details of your wedding day. Reception, Accommodation and Direction cards will provide guests with the information they need. Response cards will help you plan for the number of guests attending!

**4 Weeks**  
Order wedding programs, ceremony and reception accessories.

Don't forget things like guest books, menus, place cards, table number cards, napkins, favor boxes, cake toppers and thank yous!

**Up to 3 Months After**  
Mail thank you notes.

Let your guests know you appreciate them!
