

Pyramid Favor Box Assembly

- 1 With the design side down, fold the edges of the flaps inward and press at score lines.

- 2 Fold up two side flaps on opposite sides of the box and press at score lines.

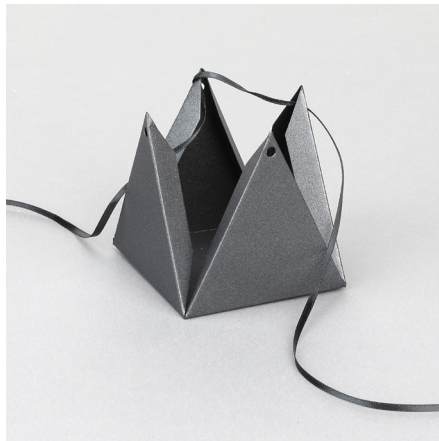

- 3 Fold up the remaining two flaps and press at score lines.

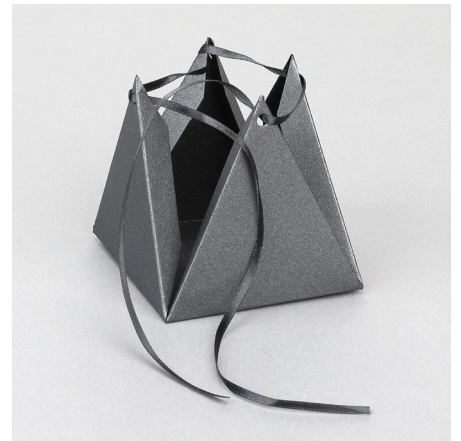

- 4 Using a pointed object like a toothpick or blunt needle, remove excess paper from holes at the top of each section of the box.

- 5 Thread ribbon through each hole.

- 6 Fill the box with wrapped treats. Gather ribbon to shape the box into a pyramid.

- 7 The box will sit as shown. Tie the ribbon into a bow to secure the box.
